UNIVERSITY OF TENNESSEE, KNOXVILLE

DR. EDWARD BOLING
President

DR. JACK REESE
Chancellor, Knoxville

Oldest and Largest Campus in UT System

Continuing a tradition of service begun in 1794, the University of Tennessee's Knoxville campus carries out a unique mission in higher education in the Volunteer State.

For many years, the University and the Knoxville campus were one and the same. As the University grew in size, extending its services into every county of Tennessee, a statewide UT system was created.

The system, under the direction of UT President Edward J. Boling, now serves more than 49,000 students on five campuses — Knoxville, Martin, Chattanooga, Nashville, and the Center for Health Sciences at Memphis. UTK Chancellor Jack Reese heads the 30,000 student UTK campus.

As the oldest and largest campus, UT Knoxville offers one of the largest and most comprehensive undergraduate and graduate programs in the country. Students may choose among 165 undergraduate degrees, 148 degrees at the master's level and 65 programs at the doctoral level.

THE STAFF

GLORIA RAY
DIRECTOR OF WOMEN'S ATHLETICS

After an eventful first year as Athletic Director of Women's Intercollegiate Athletics at the University of Tennessee, Gloria Ray enters her second year with a program that is fast becoming one of the finest in the nation. Taking the program from the ground-up in 1976-77, Ray's coaching staff garnered a third-place national finish in Basketball, and a fourth-place finish in Track & Field. Collectively, the seven team sports amassed a bright winning record.

This year the Director reduced the number of teams from seven to five, thus concentrating on the sports of basketball, cross-country/track & field, swimming, tennis and volleyball — sports that find feeder systems in the high schools. Ray has high hopes for continued success with these athletic programs. She bluntly states that, "Our goal now is to have all of our teams in the top 10 in the nation."

Ray came to UT from Mississippi University for Women where she was the tennis and basketball coach for two years and the assistant athletic director during the 1975-76 academic year. While at MUW, she also held summer sports camps for junior high and high school students. Prior to her position in Mississippi, she taught physical education in Florida and coached the school's tennis team.

Gloria Ray is a native of Knoxville. She received her B.S. in Physical Education from East Tennessee State, and her M.S. in Physical Education from UT.

PAT HEAD
ASSISTANT ATHLETIC DIRECTOR
HEAD BASKETBALL COACH

Now in her fourth year as Head Basketball Coach at the University of Tennessee Pat Head's teams have worked year-by-year and reached potential levels of fine State tournament showing, top regional showing and during 1976-77, with a young team led by Senior All-American Patricia Roberts, and Senior Sue Thomas, a third place national finish.

This past summer, as a member of the Athletes Advisory Council to the U.S. Olympic Committee, and a council member of the Amateur Basketball Association of the U.S., Head coached the U.S. Junior National Team which posted a 5-0 record, and won a gold medal at the U.S. Junior National Tourney in Squaw Valley, California. Later in the summer, she coached the U.S. team in the Pan American Confederation Tournament in Mexico City which posted a 6-0 record and won the gold medal.

A native of Henrietta, Tennessee, Head began her playing career at Cheatham County High School in Ashland City, Tennessee. As an undergraduate at UT-Martin, she participated in volleyball and basketball. In 1975, after recovering from a knee injury, she competed for the U.S. on the Pan-American and World Championship Teams. A highlight of Head's playing career included a berth on the U.S. Olympic Team in 1976, where she served as co-captain and the U.S. team won the silver medal.

Her present record at UT is 60-24.

Head's Collegiate Record: Won 60, Lost 24

TENNESSEE

1974-75	16	8
1975-76	16	11
1976-77	28	5
Totals	60	24

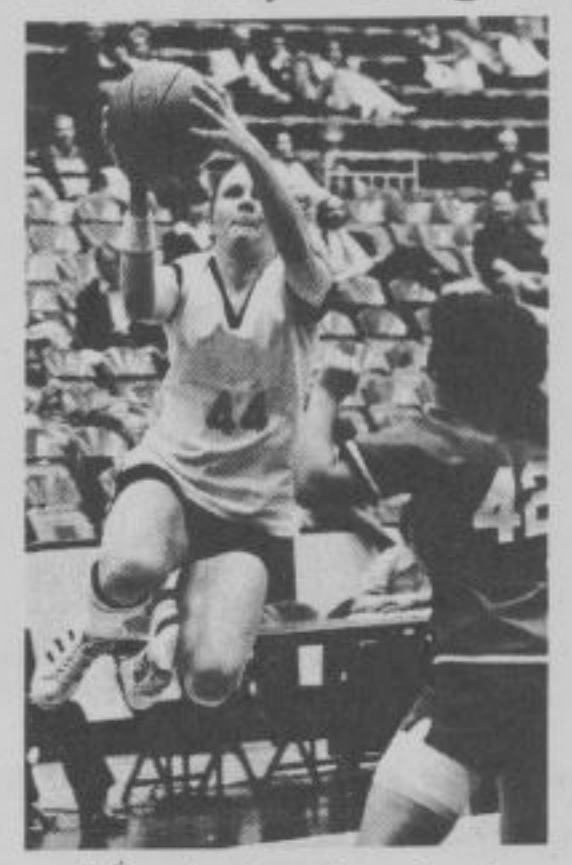
JUDY SOUTHARD
ASSISTANT BASKETBALL COACH

A recent addition to the UT women's basketball scene, Judy Southard joins the group as a graduate student in Physical Education. Southard received her B.S. in Health and Physical Education from Coker College in Hartsville, South Carolina where she participated on the varsity basketball, field hockey, tennis and volleyball teams.

Prior to coming to UT, Southard taught in the Florence, South Carolina public schools. As assistant and head coach of the Varsity girls' basketball team, Southard compiled a 104-25 overall coaching record. She was named South Carolina's Girls' Basketball Coach of the Year in 1975-76 and South Carolina Girls' Sports Coach of the Year in 1976-77.

THE SQUAD

Cindy Brogdon: A Lady Vol Newcomer



New in the Lady Volunteer camp this year is Junior transfer Cindy Brogdon, a three-time All-American selected by Kodak, Street and Smith's and Hanes. Brogdon was also a member of the U.S. Olymypic Team in 1976 that won a silver medal in Montreal. Coach Pat Head cites Cindy as "one of the finest shooters in the country."

A player that is almost unstoppable driving to the basket, Cindy is a triple-threat because of her strong outside shooting game. Her physical presence around the boards is expected to intimidate opposing teams in the rebounding category.

Assessing Cindy's game, Coach Head has nothing but praise for her versatility on the court, "the strength of Cindy's game lies in her shooting and passing. She plays a very unselfish game and relies on good passing to her teammates as well as her own shooting game.

"Because of her style of play, Cindy is recognized and respected as a team player. She will be a tremendous asset to the Lady Vols this year," said Head.

Two Gold Medals: Holly Warlick

After a sensational Freshman campaign as the quarterback of the Lady Vols, Holly Warlick traveled to Squaw Valley, California in June and tried out for the U.S. Junior National Team. Holly survived the try-out of 96 girls and emerged as an integral member of the team both as a player and co-captain. She met a familiar face in the West Coast facility as UT Coach Pat Head was also present as the Head Coach of the U.S. National Team. The National team posted a 5-0 record and won a gold medal in Squaw Valley, then traveled to Mexico City as a member of the Pan American Confederation Tournament that chalked up a 6-0 record also bringing home a gold medal. Of Holly, Coach Head says, "the invaluable international experience she gained this summer is certain to help herself and the team this coming year." Holly's latest honor includes a spot on the Street and Smith's All-American Second team.

1978: THE SEASON AHEAD

FIVE RETURNERS AND TALENT-LADEN NEWCOMERS HOPE TO REPEAT A TOP NATIONAL SHOWING

Coach Pat Head with Senior Suzanne Barbre.

The prospect of the Lady Volunteers repeating or bettering their 1976-77 third place National finish again this year would appear to be dim since UT only returns five players from that team. Gone are scoring leaders Patricia Roberts (29.9 ppg) and Sue Thomas (11.3 ppg). In the returning group only Suzanne Barbre is a Senior with Sherri Fancher, Holly Warlick, Susie Davis and Kathy O'Neil ready to start their Sophomore campaign.

A stellar group of newcomers have been assembled and how fast they adapt to the Lady Vol system should determine the success of what could be a very good 1977-78 season. New in the Big Orange camp are Freshman Debbie Groover (6-0) and Cindy Ely (6-1), teammates for the past seven years from (Cherokee H.S.) Canton, Georgia. Both will be competing for playing time at the post position.

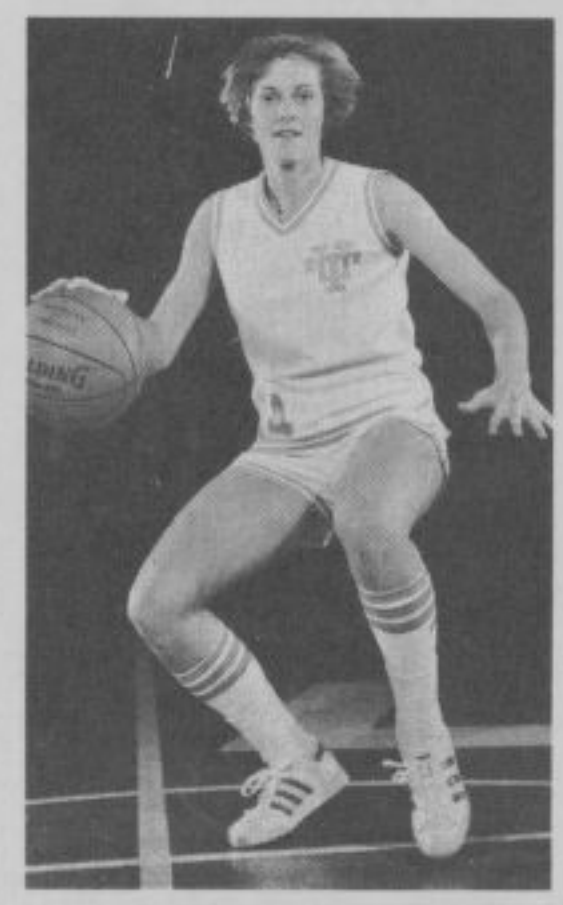
A quartet of Juniors find themselves in the Lady Vol camp. Perhaps the next name synonymous with women's basketball at UT will be Olympian and All-American Cindy Brogdon (5-10). Zandra Montgomery, (5-10) a forward, and Junior college All-American will also try to crack the line-up. Leanne Hance and Jan Seay will be given a look at the forward and guard slots respectively. Liza Graves rounds out the new members, as her already invaluable knowledge of UT's game plan as a promoted Junior varsity player will make her a real asset as a guard candidate.

Two starters and three reserves will help orient the newcomers. Forward Suzanne Barbre, all-time assist leader with 126 in one season (1976-77), returns as the only member of the Lady Vols to be a part of Coach Head's three year 60-24 record. Also returning is the "quarterback" of the Lady Vols, Holly Warlick, a player who possesses exceptional quickness. Kathy O'Neil (5-11) a reserve center in 30 games last year, internationally experienced Sherri Fancher (5-7) and a strong rebounder and shooter in Susie Davis (5-8) will also be looked on for experience and leadership during the 1977-78 campaign.

The prospects for a good season are bright after the initial meshing of the new squad is complete. Early season polls pick the Lady Vols in the Top 10 in the Nation — maturity will make the Lady Vols a contender in 1978.

MEET THE LADY VOLS

Liza Graves



Sherri Fancher

Leanne Hance

12 LIZA GRAVES
5-5, GUARD, JUNIOR FROM KNOXVILLE

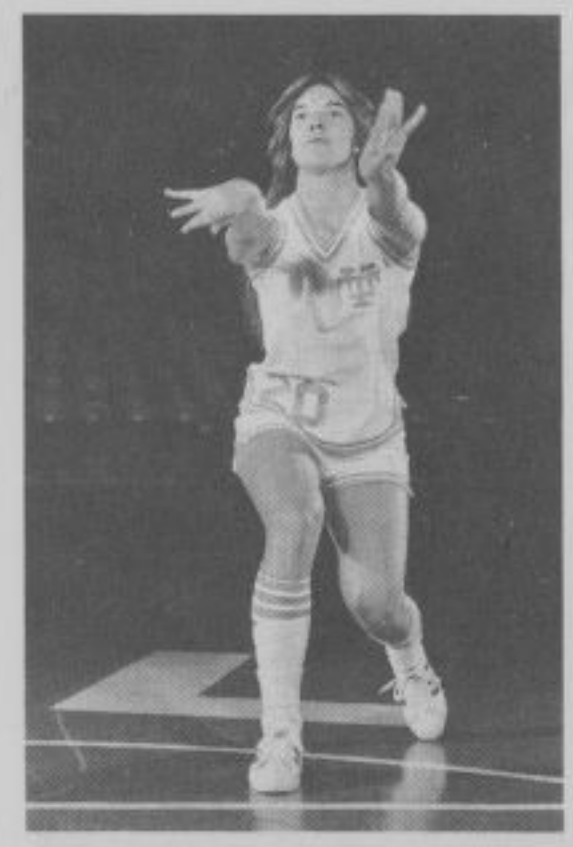
Hard work and determination has paid off from this speedy guard. A member of the varsity her freshman and sophomore years, and a junior varsity member her last year, Liza rejoins the varsity for her senior campaign. Her best assets are sharp passing and slick defense. She played high school basketball at Central High School and was coached by Alva Bible. Liza is a physical education major.

14 SHERRI FANCHER
5-7, GUARD, SOPHOMORE FROM KNOXVILLE

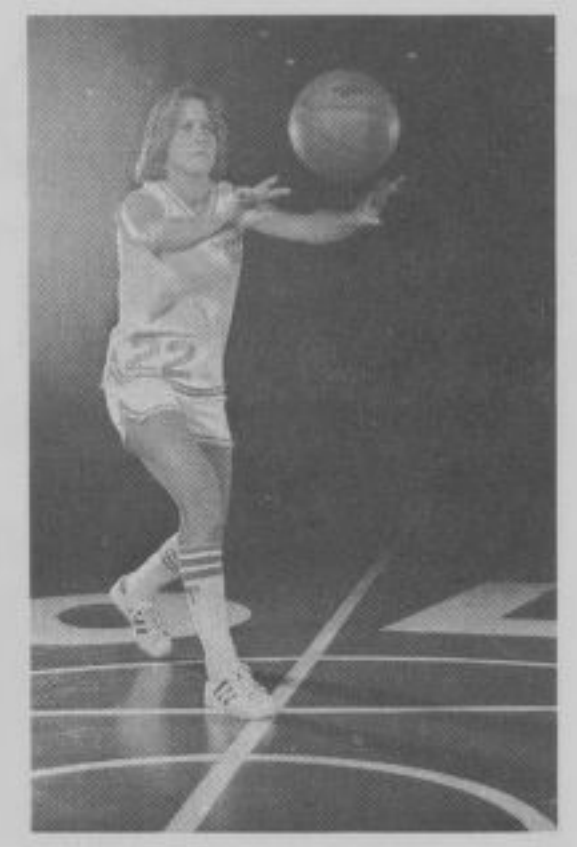
Ready to enter her sophomore year, Sherri gained invaluable experience this past summer as a member and very active player on the "Ventures for Victory" Team. The team traveled to the Orient spending 45 days playing and sight-seeing. Coach Head will look to Sherri for help this season, "A fine shooter and fundamentally strong player, Sherri's international experience will be a real asset to the Lady Vols this year." She played high school basketball at Sevier County High and was an All-American. Her coach was Billy Anderton. Sherri is a recreation major.

15 LEANNE HANCE
5-7, FORWARD/GUARD, JUNIOR FROM MORRISTOWN

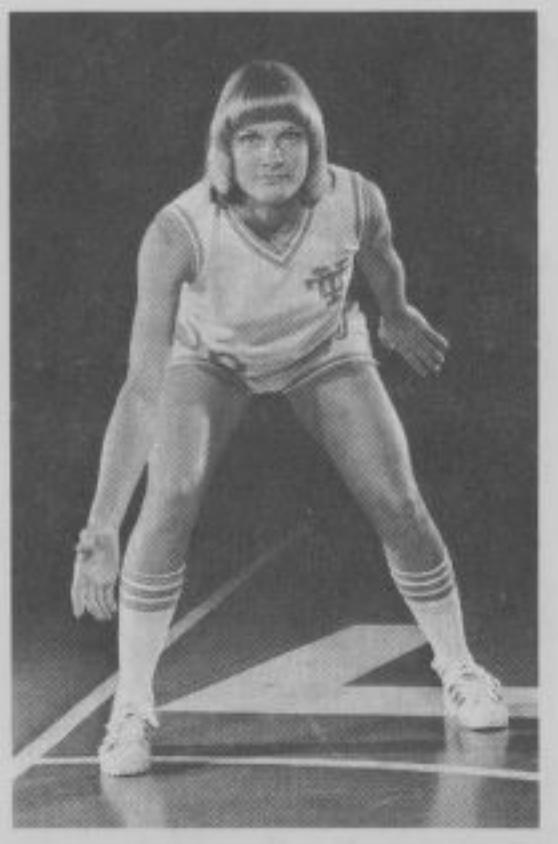
A transfer junior college player from Walters State, who averaged 18 points per game last year, Leanne will strengthen the Lady Vols outside shooting corps. Also an accomplished ball-handler, she will be counted on for back-up guard duty. Leanne was a teammate of senior Suzanne Barbre at Morristown West High School where they were coached by Joan Mann. She is a psychology major.



Susie Davis



Holly Warlick



Zandra Montgomery

20 SUSIE DAVIS
5-8, FORWARD, SOPHOMORE FROM HOHENWALD, TENNESSEE

Deceptive movement to the basket both as a shooter and a rebounder is the overwhelming threat an opponent has to look for in Susie. Ready to start her sophomore campaign, the Lady Vols can count on her to get the job done. "Smooth" is a term Coach Head used to describe her. She attended Lewis County High School where she averaged 33 points per game and was coached by Eugene Grinder. Susie is an interior design major.

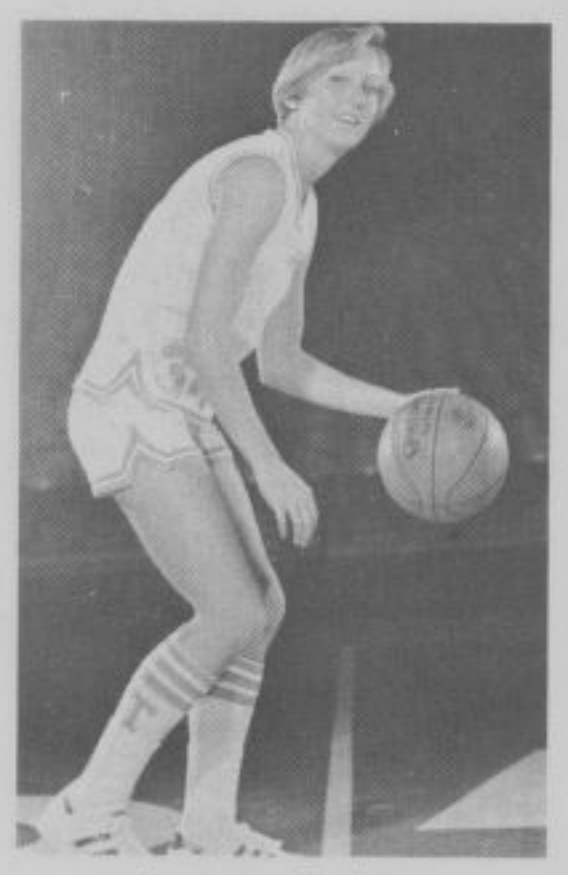
22 HOLLY WARLICK
5-7, GUARD, SOPHOMORE FROM KNOXVILLE

A sensation as the starting point guard as a freshman, Holly will start the 1977-78 campaign rich with international experience. During the summer months, she was a member of the Junior National Team (see p. 5). Of Holly, Coach Head says, "With her extreme quickness and outstanding speed, she makes our fast break go." She attended Bearden High School and was coached by Buddy Fisher. Holly is an accounting major.

30 ZANDRA MONTGOMERY
5-10, FORWARD, JUNIOR FROM CLEVELAND

An All-American last year at Cleveland State Community College, Zandra will be battling to break into the starting five. She is a well-rounded player in every aspect of the game with exceptional talent both offensively and defensively. With great leaping ability she clears off the boards with authority. Coached by Jim Smiddy at Bradley Central High, she is a physical education major.

Jan Seay



Suzanne Barbre

Kathy O'Neil

31 JAN SEAY
5-8 GUARD/FORWARD, JUNIOR FROM ALBANY, GEORGIA

A transfer from Mercer University in Georgia, Jan comes to the Lady Vols with outstanding credentials. The strong points of her game lie in the areas of outside shooting and threading the needle inside with sharp passes. She is a versatile player that can fill-in both at forward or guard. Jan attended Albany High School and was coached by Carl Williams. She is a physical education major.

34 SUZANNE BARBRE
5-7 FORWARD/GUARD, SENIOR FROM MORRISTOWN

The only player to be a member of the Varsity Lady Vols since Pat Head took over, Suzanne has been a 100% competitor. Her accomplishments as a Lady Vol have been varied: All-State, All-District 1974 and 1975, Tennessee Collegiate All-Star Team in 1976, single season assist leader in 1976-77 with 126, and a berth on the "Ventures for Victory" Team in 1977. On the "Ventures for Victory" Team she was the starting point guard during the 45-day international tour. As Suzanne starts her final season for the Lady Vols she will be counted on for leadership. "She is a fine player but her experience and leadership will be most valuable to all," says Coach Head. Suzanne attended Morristown West High School and was coached by Joan Mann. She is a physical education major.

40 KATHY O'NEIL
5-11, CENTER, SOPHOMORE FROM NEWPORT

With a year of experience behind her, Kathy will be a vital cog in making the inside game work. Most of her playing time last year was relief work for Patricia Roberts. Concerning Kathy, Coach Head says, "Although she is noted for her shooting range, she will see much action from the center position this year." Kathy graduated from Cocke County High School and was coached by Scott McClure. She is majoring in physical education.

Cindy Brogdon

Debbie Groover

Cindy Ely

44 CINDY BROGDON
5-10, FORWARD, JUNIOR FROM BUFORD, GEORGIA

The Vol Camp is excited about the all-around capabilities of this junior transfer. Cindy was a 1976 Montreal Olympics silver medalist, and a Kodak All-American her freshman year of college. Last year she was named to the Hanes Underall All-American team and was nominated for the state of Georgia Hall of Fame. Tagged as one of the "finest shooters in the country" by Coach Head, Cindy has averaged 30 points per game her first two seasons. She attended Greater Altanta Christian High School and was coached by Dale Vickery. Cindy is a physical education major. (see page 5)

52 DEBBIE GROOVER
6-0, CENTER, FRESHMAN FROM CANTON, GEORGIA

Ready to begin her rookie season with the Lady Vols, Debbie will bring a talented high school slate (20 points per game, 11 rebounds) into the college ranks. Named to the Seamco and Joe Namath All-American teams, she was also named to the 1977 USA Selection Team that competed during the summer months in Taiwan. Coach Head looks for Debbie to utilize her best assets in "taking the ball to the basket and playing strong on the boards." She attended Cherokee High School where she was coached by Ron Ely. Debbie is a physical education major.

55 CINDY ELY
6-1, CENTER, FRESHMAN FROM CANTON, GEORGIA

A teammate of Debbie Groover for seven years in Canton, Georgia, Cindy will be looked to for inside play as a center candidate. Also a member of the 1977 USA Selection Team, she has received numerous awards including All-State, All-Region, Co-Captain of the 1977 Georgia All-Stars and Scholastic-Athlete (Army). Confident about her potential, Coach Head says, "Cindy is very quick for her size and most effective on the boards." She attended Cherokee High School where she was coached by her father, Ron Ely. Cindy is a liberal arts major.
